GREAT MARSTON THEATMENT.

An Interesting Sketch of Orchards, Vine-yards and Ranches.

Santa Ana. Cal. March 18, 1887.

To the Editor of the Republic:

As a reader of the Republic:

As a reader of the Republic:

As a reader of the Republic:

arrival of each number I carefully scan the local department and especially the letter-from the local correspondents, and thinking that some of your many readers might enjoy a letter from this sin-kissed land, an effort will be made to embody herein some thing of interest to all your readers.

Within the past month a pretty thorough.

Within the past month a pretty thorough dots thereon are being added to the town and lots thereon are being rapidly sold and response to the control of the con SANTA ANA. CAL., March 18, 1887.

proved ranches in this valley recently.

e the eagerness with which eastern per TUESDAY, MARCH 29, 1887. ple inquire, as they ride around over the country, whether such and such land is good for orange culture. Almost all late arrivals are anxious to buy orange land, while last fall, when the grapes were ripe

while fast fail, when the grapes were ripe and the oranges green, the prevailing in-quiry was, "Is that grape land?" Several very fine orange orchards were visited the first day we were out. The proprietor of one orchard, which covers several tidouin & sanger. Proprietors, large, assured as that he had neither pruned nor irrigated his orchard for several years, and but a few days before we visited him he disposed of his entire orange crop for this year at 8600 per acre, on the trees. While driving through another orchard, our Marietta Nash and the Original Cast.

New Features! New Medleys!
New Songs, Dances and Witticisms,
New Songs, Dances and Witticisms. largest being 14°, inches in circumference. We also visited some lemon and lime groves

that were heavily laden with time -pecies of their respective fruits. That your readers may come to their own conclusions as to the quality of oranges raised in this valley, as compared to those raised in other parts of Southern California, we append the forlowing slip of telegraph news, from Chica-go, giving the prices quoted there yesterday, March 17. The Naval is considered the finest variety of orange raised in the state.
THE ORANGE MARKET.
CHICAGO, March 17.—Although the receipts of oranges from California have increased somewhat this week, the market

has ruled steady, with no apparent advance on price. Choice oranges are in fair de especial liking for "Mud." How is it? mand and rule steady, while common stock. Harry Phillips is around visiting is easy, with no demand to speak of. Re-ceipts from Florida of oranges continue to diminish, while conside able quantities are received from points in Mexico and other places. California from is quoted as fol-lows: Navel oranges, according to quality.

The Theologues have changed their c main at welcome.

St. 75 to S4: Bright Riverside, S1.75 to S2.50; Santa Ana, S3 to S2.25; Los Angeles, S2.75 to S3.

Our next drive was across one of the largest Mexican grants in the valley the San Joaquine ranch—containing 104,650 acres. Armed with guns and an abundance of ammunition, we started about So'clock in the morning with a double-scated, two-horse rig, and traveled in a southeasterly direction after passing through Tostin City, which is at the edge of the above containing an athletic association and of providing a gymnasium.

The Theologues have changed their c main to welcome changed their c main to make the old stand Thursday morning.

Well St. 65: 25: 15 to S3.

Well of the boys have not returned, as most of them were at the old stand Thursday morning.

Walter Shaffer, formerly of S2, now of and 7:20 p. m—conducted by Rev S. P. Dunlar of the well of the same hours, list the small hours direction after passing through Tustin City, which is at the edge of the above ranch. The first four to six miles of said ranch is composed of damp lands, or lands upon which artesian water can be easily obtained, and which are sufficiently moist throughout and which are sufficiently moist throughout
the year to produce agricultural products,
and most fruits, without irrigation. This
ranch is owned by the fleirs of James irvine, a large land-owner, who recently died

has been called home on account of death. ranch is owned by the fleris of James Irvine, a large land-owner, who recently died
in San Francisco. Efforts are being made
to place this ranch upon the market, and
when accomplished, some of the most valuable land in the valley will be offered at
comparatively reasonable rates. After
leaving the damy lands, which were labels.

ited by herds of cattle and sheep, we reached a more elevated plane, upon which rabbits and qualis in abundance, infested the cartus and sage brush clumps that were found in abundance. So tame and plentiful were both rabbit and quali, that we were enabled to sit in the carriage and shoot ducks and mud-hens. By noon we had ducks and mud-hens. By noon we had ducks and mud-hens. By noon, we had reached the Alisos creek, and near the foot of Mt. Santa Aua, whose snow-capped summit was over 6,000 feet above us.

Specialty.

D. T. West was chairman of the meeting. The stand upon the stage was tastefully decorated with flowers and the speakers were buttonaires, both contributed by At the last named place is one of the finest Mrs. and Miss Paul.

D. T. West was chairman of the meeting. The stand upon the stage was tastefully decorated with flowers and the speakers were buttonaires, both contributed by Mrs. and Miss Paul.

Messrs. Mitchell, Brau At the last named place is one of the finest natural locations for a town in the valley. The Atchison, Topeka and Santa Fe railroad is graded past this location and the company has promise that a depot shall be located at that point. Should an abundance of water be developed there as soon as the railroad is completed this will be one of the most attractive points as well as one of the most attractive points as well as one of the most attractive points as well as one of the completed the programme. Mr. Smith is most valuable agricultural regions on the completed the programme. Mr. Smith is road between here and San Diego. In this a gentleman of fine presence and good adsection large bee ranches are found from dress. He made an earnest, intelligent,

medicine which has a world-wide reputa- election. After dinner we turned our faces toward the Pacific and amused ourselves shooting After dinner we turned our faces toward game, of which we had our carriage full To the Editor of the Republic when we arrived at our destination that evening. Our drive was down the Alisos of Mr. James E. Murdoch, the veteran elocanyon, one of the most delightful of drives cutionist and patriot, at Black's opera PARKER, SMITH and OTHER CUMS
